thank you!

It has been said, "Volunteers do not necessarily have the time, they have the heart." This is so true for those who serve in our church family. Hundreds of people have shared their energy, skills, and time this year because they believe in the mission of this church.

To those who have served this year, your willingness to share your gifts and talents have strengthened the ministry of this church and given our community a glimpse of life in God's Kingdom. For all your time, effort, hard work, and prayers, please accept the thanks and appreciation of this church, its leaders, and staff. Thanks for 'letting your light shine', you have truly been a blessing to this church family!

If you call E-Free your home, you are invited to support the mission and vision of this church financially. If you long to be generous but are in a financial situation that is causing stress or tension in your home, we would love to connect you with resources to help you get things on track.
