

E-Free Intercultural Ministries

Location: Lethbridge region, CANADA

Ministry: Walking alongside newcomers to Canada

Intercultural Ministries is an important part of the Evangelical Free Church of Lethbridge. We demonstrate and proclaim God's love by walking alongside newcomers to Canada, helping them learn English, understand Canadian culture, and access community resources, all within the context of a welcoming Christian community that discipless people to live out their God-given potential. Our Intercultural Ministry regularly runs fun and engaging events, like dinners and potlucks, that help people link into small and mid-sized group experiences. These small and mid-sized activities include English classes, social events, and Bible studies, and they are a great way of building friendships with people from diverse cultural backgrounds.
