118 8 Street S, Lethbridge

The Lethbridge Pregnancy Care Centre is a local Christian agency offering compassionate support and education to anyone experiencing unexpected pregnancy and pregnancy related losses, as well as programs encouraging healthy relationships. The LPCC provides a safe, confidential, and non-judgmental place for individuals to learn about their options and receive the supports they need to make their best decision. Trained volunteer advocates journey with clients before, during, and after their pregnancy, whatever the outcome.
