Sending Agency: [Youth With A Mission, Montana](#)

Here in Lakeside, Montana I am a missionary member at YWAM, and I work with our Discipleship Training School. It is a five month discipleship course that serves as an introduction to global missions. Young believers come from all walks of life, and I get the privilege of coming alongside and mentoring them as they grow in their relationship with God and learn what the Bible says about who He is. The students are taught topics such as Character and the Nature of God, Hearing God's Voice, the Holy Spirit, Biblical Worldview, Relationships, and Missions. I meet weekly one on one with students, facilitate the classroom during lectures, lead intercession, teach books of the Bible, evangelize with students, and plan a nine week outreach trip with a co-Leader! After three months, I lead a group of students overseas, traveling to the corners of the earth to communicate God's love! We have six target nations where we have relationships and pray about going to first. On our cross cultural outreach, the aim is always to partner with long term missionaries and be a part of a variety of ministries!
