The vision of Southern Alberta Bible Camp (SABC) is to see lives transformed by God through the gospel of Jesus Christ. This pertains not only to the 1,700+ campers that come every summer, but also to the 250+ or so summer staff and volunteers, many of whom come from Lethbridge.

SABC and the Evangelical Free Church of Lethbridge (EFCL) share a special partnership in ministering to children and youth in southern Alberta. EFCL has a significant role in providing strong leadership and on the ground support for the camp. We continue to marvel at how the Lord uses camp to miraculously transform lives year after year.
